# PARTICIPANT HANDBOOK

## 2024

For the third consecutive year, from March 20 to 22, 2024, Porto Alegre will become the global meeting point for investment funds, startups, and companies. The innovation and entrepreneurship ecosystem will be present and brimming with networking and business opportunities, all set against the backdrop of the city's main landmark: the Cais Mauá, by the banks of the Guaíba River and its stunning sunset.

South Summit is a global innovation event born 12 years ago in Madrid, Spain, and hosted its first edition in Brazil in May 2022, thanks to an initiative by the State Government of Rio Grande do Sul and 4all.

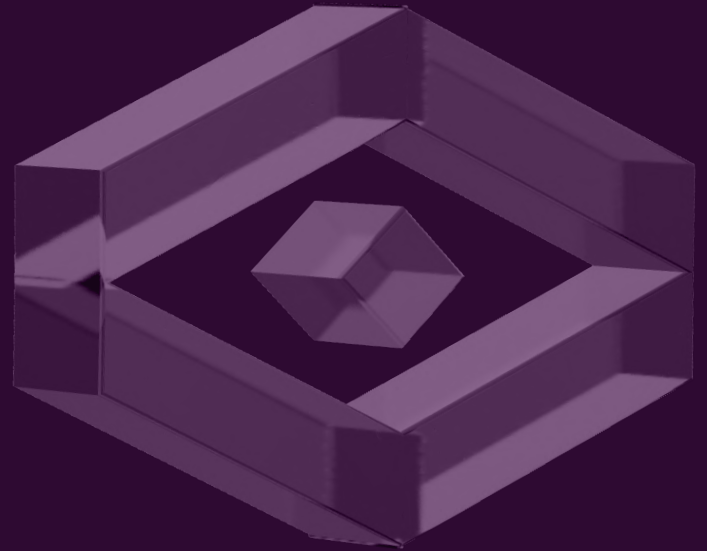

To help you make the most of your #SouthSummitBrazil24 experience, we've compiled a set of essential information in the Participant's Handbook. Get ready for an unparalleled experience!

# SOUTH SUMMIT APP

This app is your go-to guide for making the most of South Summit Brazil and is designed to help you build and strengthen connections, providing you with all the essential information about the event in one place.

You can download the app on iOS and Android devices. Just search for “South Summit” in the Apple or Google Play Stores. You can also access the desktop version of the app.

After purchasing your ticket and registering, you’ll get an email granting access to the app, where you can find your QR code to collect your credentials and wristband. With the app, you can effortlessly find the event schedule and map, personal meeting schedules, detailed profiles of speakers, partners, and finalist startups, and the entire list of event participants at your fingertips. But that’s not all. The app also provides simultaneous translation for the Arena Stage, The Next Big Thing, Growth, and Explore, an in-depth guide to the app’s features, and a chat room where we will be ready to assist you.

# EVENT CREDENTIALS AND WRISTBANDS

Tickets are personal and non-transferable, and your credentials and wristband guarantee access to all three days of the event. Welcome to the South Summit Brazil 2024 registration guide!

1

After you've successfully registered and your payment has been processed, look for a confirmation email from us. This email will include a link to download the official South Summit app (available on [iOS](#), [Android](#), and [desktop](#)).

2

After downloading the app and installing it on your device using the same email address you used for registration, you'll be prompted to verify your email address to use the app.

3

Upon accessing the app, you will need to create a new password.

4

Now, simply locate the QR code and present it at the appropriate booth for your ticket category (Attendee, Business, or Executive) when picking up your credentials. That's it: you're all set to collect your credentials and wristband and enjoy South Summit Brazil 2024!

## ATTENTION: KEEP YOUR WRISTBAND AND CREDENTIALS ON YOU AT ALL TIMES

To access event areas, you must wear both your credentials and wristband throughout the South Summit Brazil 2024. Remember, once the wristband is on, it cannot be removed. If you lose either item, you can be issued a replacement for a fee of R\$ 50.00.

## CREDENTIAL AND WRISTBAND COLLECTION (BEFORE THE EVENT)

To skip the lines, we recommend picking up your credentials and wristband on the days before the event begins. Make sure to keep them safe and bring them with you on all three days of the event, as there may be extra charges for replacements if they have already been collected.

# PREPARATION AND ARRIVAL

For a smooth and unforgettable experience, prepare for #SouthSummitBrazil24 in advance. Here are some tips:

**Ticket/check-in times:** If you're traveling by plane or bus, check the date, time, and boarding gate/box as far in advance as possible. The same goes for your accommodation: if you choose to stay in a hotel or Airbnb, check the location of the address in advance and pay attention to the check-in and check-out times, as well as the general rules of the place.

**Documentation:** Remember to always have a photo document with you (ID, driver's license, passport, etc.) both for traveling and for accessing Cais Mauá during the event.

**Collect your credentials/wristband in advance:** Prioritize registering at the locations indicated by the organizers in advance to avoid lines and access the event quickly.

**Identification at the event:** To access the event, all participants must wear the credentials and wristband provided by the organization at all times of the event.

**Age rating:** Our event welcomes attendees of all ages. For children under 12, we require a guardian's authorization to be submitted during registration or when purchasing tickets. Please note that the minimum age requirement for ticket purchases through our platform is 15.

**Headphones:** Headphones are a must-have accessory to fully engage with the talks and benefit from real-time translations into Portuguese and English (available at the Arena Stage, The Next Big Thing Stage, Growth Stage, and Explore Stage) through the event app. For more details, see page 16.

**Sunscreen and insect repellent:** Located on the banks of the Guaíba River, we highly recommend enjoying the outdoor areas that lead to the warehouses for a truly complete South Summit Brazil experience. Therefore, sunscreen and insect repellent are a must.

**Raincoat and umbrella:** Since the pathways to the warehouses are outdoors, have these items in hand in case of unpredictable weather. Umbrella rental stations will be located at the event entrance and near the registration desks (limited availability).

**Dress code:** Light and comfortable clothing and footwear are highly recommended. With three action-packed event days and the exciting Night Summit to follow, do not let the high temperatures hinder your experience.

## WI-FI ACCESS

Wi-Fi will be available in all areas of the event.

**NETWORK NAME: SOUTHSUMMITBR24**

When you first log in, you must fill in your name, email address, ID, or CPF number.

# LOCATION AND MOBILITY

South Summit Brazil is an important part of the project to revitalize the Centro Histórico and Orla do Guaíba—one of the main tourist attractions in Porto Alegre. This year, we're excited for the third edition of our event, which will be staged in the historic Cais Mauá warehouses. This time around, the experience will be bigger than ever, with an additional warehouse recently revitalized through an initiative of South Summit Brazil.

## ACCESS TO CAIS MAUÁ

You can find our event in warehouses 06, 05, 04, and 03. The entrance is located at the Cais Embarcadero, which is right next to Usina do Gasômetro.

## ATTENTION:

When using rideshare and taxi apps (Uber, 99, etc.), use this address:

(Av. Presidente João Goulart, 97 - Centro Histórico, Porto Alegre-RS, CEP 90020-006).

## GATES OPEN

**MARCH 20 TO 22 FROM 8:00 AM TO 8:00 PM**

Registrations until 4:00 pm on March 22.

Porto Alegre provides multiple transportation options, including buses, cabs, and rideshare and taxi apps. To route your journey, simply visit our website or download the urban mobility app "Moovit."

## IMPORTANT ↓

- We encourage you to use public transport or carpool whenever possible to reduce traffic.
- Parking is limited, so arrive early.
- Please respect no-parking signs and avoid obstructing entrances or exits.
- Pick-ups and drop-offs by cabs or taxi apps must be at Av. João Goulart, right in front of the event entrance by Cais Embarcadero.

# ACCESSIBILITY

At every South Summit Brazil event, we strive to ensure that all attendees, including people with disabilities, can easily access our facilities. Clear directional signage is provided throughout the venue.

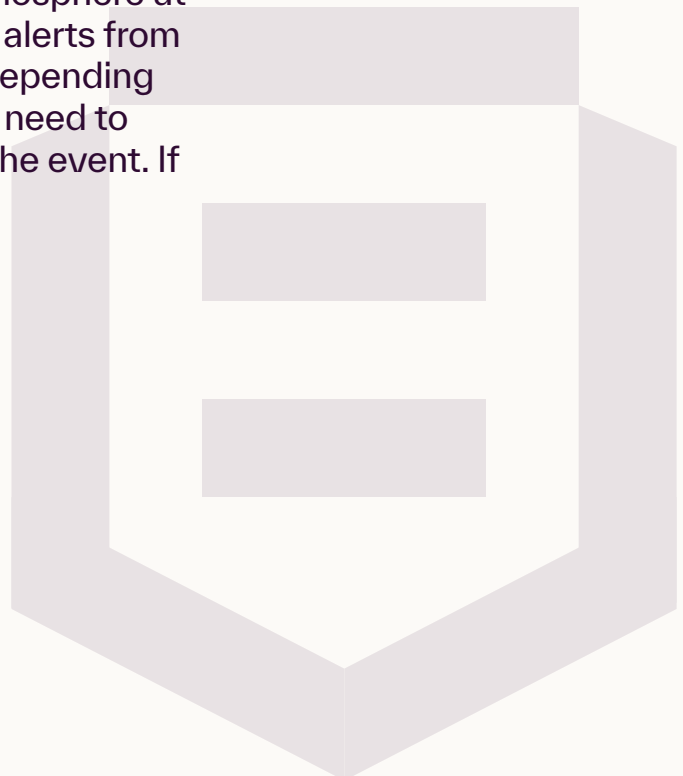

For added convenience, wheelchair users will have access to handcycle attachments that can motorize wheelchairs. These apparatus will be available at the Cais Embarcadero entrance. Our dedicated teams will guide users in using these kits and assist people with reduced mobility.

# CODE OF CONDUCT

We're committed to making South Summit Brazil a welcoming space that embraces diversity and promotes respect. We strictly prohibit any behavior or commentary that could be perceived as offensive, discriminatory, or threatening and related to ethnicity, gender, gender identity or expression, origin, religion, and disability.

Our Code of Conduct is universally applicable—it holds true for organizers, speakers, sponsors, supporters, partners, and attendees alike. Abiding by it is crucial to create a respectful atmosphere at our event. Failing to do so could lead to alerts from our event team or security personnel. Depending on the severity of the situation, we may need to remove the individual(s) involved from the event. If necessary, onsite police may intervene.

# SAFETY GUIDELINES

In order to guarantee that everything runs as smoothly as possible, our security team will be monitoring all spaces throughout the event, ensuring your safety. However, with thousands of guests in attendance, we highly recommend keeping your belongings close to you at all times for added security. **This includes your cell phone, laptop, backpack or bag, wallet, and any important documents.**

## IMPORTANT INFORMATION ↓

**Guidance for the public and access controllers:** uniformed receptionists in coral t-shirts will provide guidance on queuing and help with validating and reading tickets;

**Anti-smoking law:** Smoking is prohibited in covered areas, as per State Law no. 13.541;

**Underage drinking:** Underage drinking and selling, offering, or giving alcoholic beverages to minors is strictly prohibited, as per Law no. 14.592.

**Fire brigades and ambulances:** Fire brigades and five Unimed ambulances will be on standby to provide first aid, if necessary.

**Uniformed security:** Security personnel (men and women) will guarantee the safety of the event;

**Signage:** all emergency exits, bathrooms, bars, and sectors will be widely signposted.

# SUSTAINABILITY

South Summit's ESG agenda is a key cross-cutting pillar in the DNA of the business and the event. The entire planning and operation of the event is guided by the Sustainable Development Goals, ensuring that all stages of event planning and operations contribute to global development and foster a sustainable world.

In this sense, alongside many other impact fronts, the event adopts a series of practical environmental actions that have an impact on its participants:

**WASTE MANAGEMENT:** Waste at our event is effectively managed through resourceful planning and reverse logistics. This system spans from strategically placing trash bins to responsibly channeling waste to its final destination. For yet another edition, we're partnering with Trashin to carefully handle our event waste.

**CARBON FOOTPRINT MEASUREMENT AND COMPENSATION:** We accurately measure our events' carbon emissions and aim to compensate for these emissions in our future events. In partnership with ESG Now, we thoroughly inventory our event's carbon emissions. In addition, we're teaming up with Greener to offset all calculated emissions in an exciting new development for this third edition.

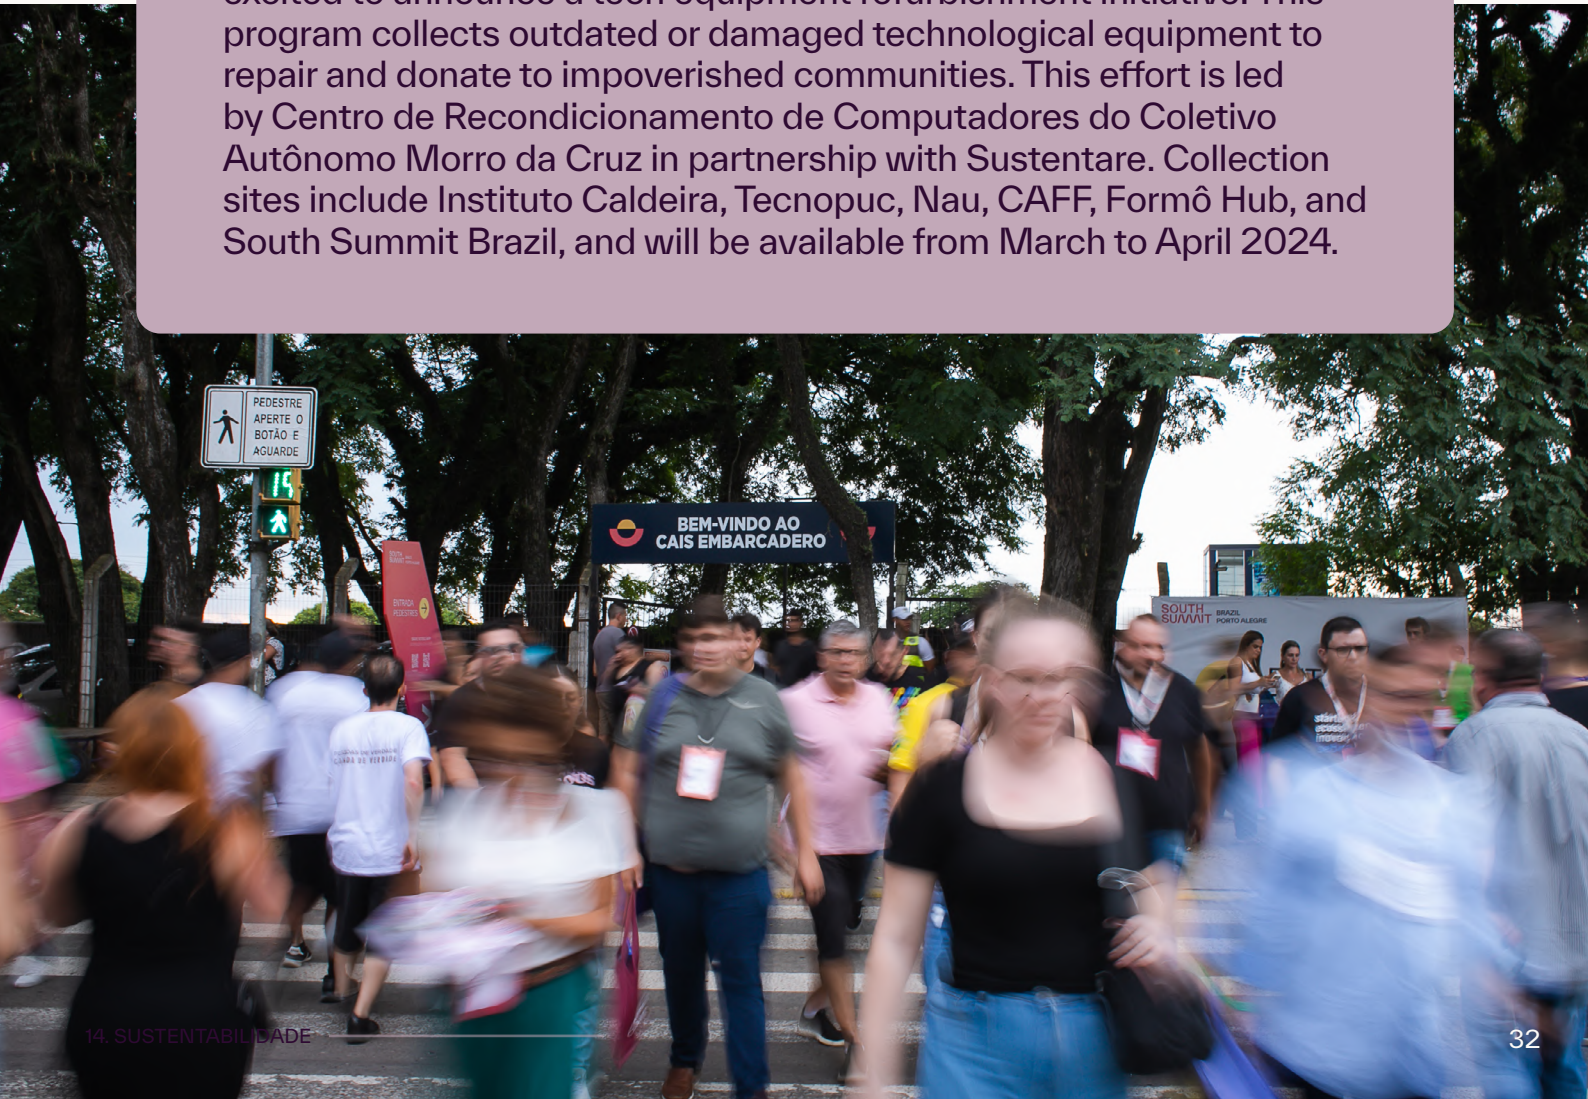

## WE ARE COUNTING ON YOU TO MEASURE OUR CARBON EMISSION

We are committed to building an even more sustainable event. By answering a quick survey [available here](#), you too can play a part in one of the biggest initiatives of [#SouthSummitBrazil24](#).

**MATERIALS AND STRUCTURES:** All items used at our event are made from sustainable and certified materials. Examples include the strings and credentials made from eco-friendly materials and seed paper. Even the water bottles and cups we distribute, along with our event décor, utilize sustainable materials or repurposed equipment. Be on the lookout for descriptive signs at venue entrances that offer insights about our environmentally friendly initiatives.

**SUPPLIER AND SPONSOR GUIDELINES:** We take responsibility for ensuring that all our partners, sponsors, and suppliers adhere to rigorous sustainability guidelines. As such, we prohibit the distribution of leaflets and plastic items and mandate that all giveaways have certified sustainability credentials.

**TECH EQUIPMENT REFURBISHMENT INITIATIVE:** The Secretary of Innovation and Technology (SICT), in collaboration with the Extraordinary Secretary of Digital Inclusion and Support for Equity Policies (SEIDAPE) and partnering with South Summit Brazil, is excited to announce a tech equipment refurbishment initiative. This program collects outdated or damaged technological equipment to repair and donate to impoverished communities. This effort is led by Centro de Recondicionamento de Computadores do Coletivo Autônomo Morro da Cruz in partnership with Sustentare. Collection sites include Instituto Caldeira, Tecnopuc, Nau, CAFF, Formô Hub, and South Summit Brazil, and will be available from March to April 2024.

# CERTIFICATE OF PARTICIPATION

Your South Summit Brazil 2024 Participation Certificate will be available for download 20 days after the event. Simply revisit the website where you purchased your ticket and access the participant area.
