SOUTH SUMMIT SCALEUP SERIES

London, February 27th 2025

We're excited to bring our **Scale-up Series Tour** to London, the next stop on our journey through Europe's major startup hubs. These meetups are focused on strengthening the European scale-up community by creating a space to share best practices and learnings from some of Europe's top scale-up founders, the leading investors who back them, and the corporates who support them, aiming to amp up the European scale-up scene and to deep dive into the opportunities in **Spain and UK**.
